

PUBLIC NOTICE

INTRODUCTION OF CONSULTANT FOR THE ECB EXTERNAL STAKEHOLDERS AND ELECTRICITY CONSUMERS' PERCEPTION AND SATISFACTION SURVEY

The Electricity Control Board (ECB) takes pleasure in introducing Business Intelligence Africa as its Consultant for the above survey. Business Intelligence Africa emerged successful through a public tender process.

The survey aims to improve and or enhance the Regulator's image, perception and communication with all its stakeholders locally and internationally as well as the general public.

Please note that the Consultant acts with the support and approval of the ECB and it will be appreciated if all reasonable assistance can be provided in connection with the survey. In the event of any questions, please do not hesitate to call Mr. Ferdinand Molale who is the ECB liaison person at 061 - 374 311.

Thank you for your co-operation .

Yours Sincerely

Pinehas N. Mutota
Acting Chief Executive Officer
